Lis - ten to the rhy - thm of the fall - ing rain, — tell - ing me just what a fool I've

 start. But lit - tle does she know that when she left that day, — a -
 let me be a - lone a - gain. — The Rain, please tell me, now does
 long with her she took my heart. — Rain, won't you tell her that I
 that seem fair — for her to steal my heart a - way, when she don't care? — I
 love her so. — Please ask the sun to set her heart a - glow. —
 can't love an - oth - er when my heart's some - where — far a - way.
 Rain in her heart and let the love we knew — start to grow.
